

Music Department Upgrades- Ballard Hall & Coleman Library Tougaloo College

Architect's Project No.: 2506

WFT Architects, P.A.
770 North State Street
Jackson, MS 39202
(O) 601-352-4691
mail@wftarchitect.com

ADDENDUM NO. 3:

Date of Addendum:
07 July 2026

This addendum forms a part of the Bid Documents and modifies the original Drawings and Project Manual dated 11 June 2026 and consists of the items described herein.

PROJECT MANUAL

Item No. 1

Add:

Project Manual- Pre-Bid Conference Sign In Sheet

A copy of the sign in sheet containing the names and contact information of each party represented at the Pre-Bid Conference is included for reference with this addendum as Attachment 1.

Item No. 2

Add:

Project Manual- Section 099110, Exterior Painting, Part 3 – Execution, Paragraph 3.03 – Surface Preparation, Sub-paragraph A – General

Add the following:

10. Collection and Disposal of Paint Waste

- a. The paint contractor shall pre-clean all ground surfaces with a HEPA vacuum and protect equipment by covering with one layer of six mil polyethylene and have joints taped. All debris gathered during paint removal shall be disposed of properly.
- b. The Contractor shall secure a dropcloth from the foundation of the building to a distance of 25' from the building. This dropcloth should also extend 20' on either side of the portion of the building being worked on.

END OF ADDENDUM NO. 3
