Alternate 1: Add CDL Training Lot

Unit Price 1: Additional excavation and removal of unsuitable bearing materials required beyond what is shown on the drawings and specified.

Unit Price 2: Select fill brought from off-site, placed, and compacted (all per specifications) to replace unsuitable bearing materials that are removed as a result of required excavation beyond the extent shown on drawings and specified.

This is to certify that the above is a true and accurate Tabulation of Bids received.
