**Item No. 2**

A Pre-Bid Conference was held on Thursday, September 23rd, 2021 at 10:00 A.M. at the project site. See attendance list and agenda included as Attachment No. 1 and clarifications below:

1. A general description of the project was provided by the BOB and MSDH representatives and the Architect.
2. The bid date and time, location, and instructions to bidders were reviewed. Randy Turner reviewed the B.O.B. pre-bid agenda addressing bid delivery procedures. Questions regarding the project must be submitted, to the Professional, no later than 72 hours prior to bid date.
3. Refer to items contained within this Addendum No. 4 for clarifications to specific requests for clarification made at the meeting.
4. Architect clarified that the Contractor will be responsible for coordinating with the work of other contractors affecting the project including but not limited to test and balance and mechanical contractors. The general contractor shall coordinate with the Owner to schedule work that will affect the sequence of construction at each area of the building.
5. Architect reviewed requirements for facility use, project access, and specific requirements as described at Section 01 8000.
6. Architect underscored the importance of the qualification requirements for trades required under Section 01 8000 – Part 8 including the Masonry Restoration Specialty Contractor specified under Section 04 0100 and Temporary Protection, Containment and Mold Remediation Specialty Subcontractor (refer to Addendum No 2.) Qualifications submittals will be required following notice to apparent low bidder as described at 01 8000 paragraph 8.01. Award of contract will be
