Items Discussed:

Shomari Rawls, Bureau of Building:

This is a rebid of the MCC Softball Tennis Complex bid on 10/12/23

Contract Documents can be obtained from Davis Purdy Architects. Please direct all questions to Mark Davis at Davis Purdy Architects. The deadline for questions is January 18th at 5:00PM. Please submit questions prior to that time as that is the last chance for the Architect to submit addenda.

Bids are due by 2:00 PM on Tuesday January 23rd, 2024. They will be opened in Room 117 of the Woolfolk State Office Building located at 501 N West St. Jackson, MS 39201.

Electronic Bids will also be accepted. The bid number for this project is RFX# 3160006341. Bidders are encouraged to set up their MAGIC account prior to bid day. Help with registration is available via phone: (601) 359-1343 and email: mash@dfea.ms.gov

No oral or telegraphic bids will be considered.

Bidders are encouraged to review the Instructions to Bidders Section and Bidders Checklist in the project manual:

- Bidders are required to have their certificate of responsibility on the face of the envelope and proposal form. A certificate of responsibility number is required for any subcontractor that is contracted for more than \$50,000. Subcontractor name is required to match the name registered with the MS Board of Contractors.
- Work conditions specific to MCC's Campus are outlined in the specifications
- MS State Laws & Regulations apply to this project
- Bidder is required to acknowledge all addendums on their Bid Form

- There will be a 24hr period prior to the bid opening for protests and errors. Must be submitted in writing.
- The 5% bid security will be relinquished if the low bidder fails to enter into a contract prior to award.

Mark Davis, Davis Purdy Architects:

The site has been in use prior to this project, there will be some site demolition

The Project includes the construction of:

- 8 Tennis courts with associated amenities: bleachers, seating, lighting, fencing, etc.
- A turf softball field with 2 dugouts, press box, grandstand, netting, fencing, etc. The scoreboard will be provided and installed by MCC. The foul poles will be provided by MCC and installed by the contractor.
- Leftfield Lounge – Brick paver area with turf play area
- Batting Building
- Site Sign
- Construction Mock-up
- Concession Building w/ Restrooms
- Site Fence

The owner plans to occupy the Softball Field prior to the completion of the overall project. Please see Special Requirements - Section 01 8000 for a detailed description on the project timeline.

No questions were asked or answered.
