ADDENDUM NUMBER 2, March 28, 2019.

NOTICE TO ALL BIDDERS: This Addendum modifies (changes, adds to, deletes from) and/or interprets the Bidding Documents (Project Manual and/or Drawings, as indicated), and becomes part of the Contract Documents when the Agreement between the Owner and Contractor is executed. *Acknowledge receipt of this Addendum by inserting its number and date on the Proposal Form where indicated.*

NOTICE:

1. Pre-Bid Meeting Sign In sheet attached.
2. All references to Type 3b curb shall be removed and replaced with Type 1 Curb.
3. Revised Electrical Lighting Fixture (See attached).
4. Regarding testing: All testing required in this project will be performed by an independent testing laboratory under the direction of and paid for by the Contractor. The contractor's testing laboratory will conduct all acceptance testing for determining compliance with the specified density. Any retesting required due to failure of initial testing shall be conducted by the Contractor's laboratory at the contractor's expense. Any reference to owner testing is for verification only and at the owner's option.
5. All references to hay bales are removed from the project. Hay bales are not allowed on the project.

Please attach this addendum to the inside front cover of each project manual and acknowledge its receipt in designated space on proposal form.
